

ACCESSIBILITY STATEMENT

This accessibility statement applies to South Woodham Ferrers Town Council (known as “the Council”) covering websites and other social media under their control.

This website is run by South Woodham Ferrers Town Council. We want as many people as possible to be able to use this website. For example, that means you should be able to:

- zoom in up to 300% without the text spilling off the screen
- navigate most of the website using just a keyboard
- navigate most of the website using speech recognition software
- listen to most of the website using a screen reader (including the most recent versions of JAWS, NVDA and VoiceOver)
- we’ve also made the website text as simple as possible to understand.

[AbilityNet](#) has advice on making your device easier to use if you have a disability.

While we have made every effort to make the site as accessible as possible, the fact we have to use PDF to show documents does make this impossible in some instances. We are hoping to address this in the future but please contact us if you have any issues or need help.

If you need information on this website in a different format like accessible PDF, large print, easy read, audio recording or braille please get in touch:

- [email](#)
- call 01245 321 817.
- pop into the office at Champions Manor Hall
- We’ll consider your request and get back to you in a few working days.

If you cannot view the map on our ‘contact us’ page, call or email us for directions.
