

GARDEN OF REMEMBRANCE – Urn request Form 3

Application to order an additional urn at the Garden of Remembrance

Please complete this form in BLOCK CAPITALS

We have had requests by some residents that in order to meet their religious beliefs, they request an urn to **be placed into the plot of interment** at the garden of remembrance rather than to be scatted into the plot. We can therefore supply 2 versions of urn to be interned into the ground, which are certified biodegradable to meet legislation. Please note that these are not suitable for the columbarium, which have their own version of urn which are placed in the niche. You require a completed form 1 with this application and a charge will be made on top of the cost of interment.

Name and details of Applicant.

Name including title: Mr/Mrs/Miss/Other (Please delete as appropriate)	
Address:	Post Code:

Full name and details of Deceased

Surname:	
First Name/s:	

Garden of Remembrance

Available Urns

All urns supplied meet our requirements that they be biodegradable and cannot be removed once they have been placed into the ground. These take up to **10 working days** to arrive.

Bamboo Eco

Cost is £129.00

April 2025

I hereby request an order for an urn to be supplied by the Town Council and have included form 1 along with this application. The price quoted is in addition to the cost of the interment. I also understand that once these have been placed into the ground, they cannot be removed and will be left to biodegrade into the soil for the period of the plot time granted.
