## **Health and Safety Policy**

Written guidance is provided to users of the Council's facilities including written information on emergencies and health and safety issues. Regular evacuation drills include occasions when hirers of facilities at Champions Manor Hall Community Centre are on site.

On site signage is considered carefully to help visitors or users to the site. Emergency contacts are provided on site for reporting of any incidents.

To maintain safe and healthy working conditions, provide and maintain plant, equipment and machinery, and ensure safe storage / use of substances (Champions Manor Hall Community Centre)

The Town Clerk

The building was designed and is maintained in a suitable condition with appropriate facilities for toilets, washing and drinking water provided. Appropriate information and systems are in place for safe handling/use of substances.

Limited use of machinery is made. Where appropriate staff are required to inspect equipment and machinery and report any defects or concerns to the Town Clerk. Appropriate specialist training is provided where required. Staff training records are maintained to ensure that adequate records are available.

COSHH data is recorded in a written format and maintained in the Town Council offices. Data for the materials used by the cleaning contractor is kept in the locked cleaning cupboard. Regular (at least annual) reviews are completed to ensure the COSHH (Control of substances Hazardous to Health) information is current and up to date.

**Note**: The Town Council's general policy applies equally to both paid staff, temporary staff, Councillors, contractors and volunteers.
