Project Title: Grass grid parking area at South Woodham town hall.  
Date of quotation: 11/01/24  
Client/contact David Smith

### **Job Specification & Project description.**

The grass area along side the right hand side of the main building boundary is to be turned into a parking area using grass grids suitable for parking.

The area is to have a bed at the front of approx. 2 meters, a bed alongside the neighbours boundary re using the existing concrete kerb units from the front at a width of approx. 0.6 meters.

The area is to be stopped approx. 2.5 meters away from the tree.

Excavate approx. 200mm in depth.

New concrete drop kerbs along the front to allow flush access to parking.

Marshall's tegula blocks to be used around perimeter of the project to provide aesthetic appeal and restraint to the grids.

Sub base of 140mm well compacted to ensure longevity.

A sharp sand layer of approx. 10mm in preparation for the grids.

Core grass 50mm grass grids to be laid. These are suitable for traffic and are a recycled plastic material.

Once laid the grids will be filled with a bs3882 certificated top soil.

Grass seed to be laid.

Fertiliser to be spread over the entire area.

The area will require regular watering until the grass is established. I have not allowed for this.

Facility Hire Prices

# Recommendations

---

Based on the following example price lists from other community halls within the local area, it is recommended that the current prices listed overleaf are increased by 10%.

It is suggested that this increase is applied to any bookings taken or invoiced for on and after 1<sup>st</sup> July 2024, therefore honouring any existing invoices which have been raised. This time period would also give notice time for regular hirers. The current Conditions of Hire (2.1) read “The scale of charges is revised annually or at such other interval as the Council may determine. Any charges apply from 1<sup>st</sup> Pailr each year, or as such other date as decided by the Council. Details of current rates are available from the Council offices. Should any increase, notified to the hirer subsequent to the booking being made, be unacceptable to the hirer, the booking may be cancelled and the booking deposit returned. “

It is also recommended that damage/key deposits are reinstated so to deter damage/recklessness. These were once taken in the past as either cash or cheque. The office would now like to investigate possibility of taking preauthorised payments on cards that can be returned once the key is returned and no damage/breakages are reported.
