QUOTATION

Project Details

Sand and seal of junckers beech flooring.

Whole floor areas to be progressively drum, edge and rotary sanded from a coarse 36 grit, 50 grit, 80 grit, 100 grit and finished on a fine rotary 120 screen disc.

The whole area will then be sealed with, 1 coat of base prime, followed with 2 coats of Junckers HP commercial polyurethane floor seal. This system is the most durable hard-wearing floor seal for high traffic areas.

Protective sheeting will be provided and installed where necessary however, the machines used are 99% dust free, and every care will be taken to leave the site clean and tidy.

All work to be completed 4th – 7th April

Total £4000
